

## SAKTHI FOUNDATION - Uni5 RAMAYANAM - 1

### Initiation of Ramayanam

#### **Om Maha Ganapathaye namha!**

[Let us render our prayer of initiation to the energy of positive thought in mooladharam nerve junction which is MahaGanapathy to read and understand the concepts discussed in Ramayanam for several ages by many great spiritual tutors.]

#### **Om Namoh Hanumathe Namaha!**

[Let us pray to the energy of awareness and selfless nature within us called hanuman to make us to unite with the concepts, characters and transform us to be happy in life]

#### **Om Sath Gurupyo namaha!**

[Let us surrender to the tutor - the energy of wisdom and intellect within us and in the form of our tutor to obtain the required knowledge and practical implementation in Ramayanam]

Let us pray to Sitha the bioenergy within us - our jeevatman to assist us to understand the legend and merge with the consciousness.

Let us pray to Rameshwar - the awareness within us to implement the obtained wisdom into practical life.

Let us wish the love and respect to all those who have written Ramayanam for several ages all across the globe.

Let us express our gratitude to great saints, devotees, priests of Ramayanam.

Let the great shrine of SriRangam grant us the power to write, read, analyze, link and implement the legend in our life.

Let us start our journey towards the source.

Jai SriRam!
