

SAKTHI FOUNDATION - Uni5 education

Guest lecture by Master Pranav Challiyil

Date: 2.8.2013, Time: 11.30 - 12

Venue: Pudhiyadhor trust

Occasion: Montessori teacher training session

Master Pranav Challiyil gave his very first public talk in India before students who are being trained for Montessori schools in Chennai city.

He was very good in communicating in local language. His ideas were clear.

He gave a good crisp clear introduction about Maharishi International School - Fairfield, Iowa.

He explained various situations in his schooling which has changed him.

He has listed out the following aspects which he has gained through his school:

Patience, communication skills, easy reading, art skills and music.

Better not to insult a student for his mistakes before all.

When the child corrects his mistakes we must accept him.

Better not to always comment about the past mistakes.

Students must be more aware about physical level cleanliness.

* He also presented a video show from net about his school.
