Many doubts were also answered by Dr.Pradheepkumar.

Dr.Pradheepkumar's very first Matrix talk to the public was very clear and simple. In this occasion ABN drugs released the calendar for 2013 which has been prepared with Dr.Madeswaran's drawings. We thank Mr.Arulbalaji and his crew for taking the mission of Sakthi foundation, COC project to many doctors. They have made a very great change among the doctors. The way they have approached to develop their business is through spirituality. For this they need confident and trust in what we say through COC sessions. We also thank them for taking much time and interest in bringing out our pictures in colorful way through Mr.Senthilnathan. This time they have donated Rs.5000 to for trust for this month's talk. We share a good feature for them! In May 2013 they have asked for a day workshop with Dr.Pradheepkumar.
