

Sreekanth Visit Sendurai 2014

He observed the working of the center from 9.30 to 12.30 then he had a meeting with our parents.

Questions asked to the parents

1. Say the main difference you can see within your child after sending your child to this school.
2. how about the social behaviour of the child with neighbours.
3. whether your child is very adamant.
4. Whether your child is asking many questions.
5. What things you feel that is needed to be changed in this school.

Many parents answered that the language development is very good. They keep their things in proper places. They like to come to school. Their child is telling the rhymes and some concepts in home while playing. They are happy about the school.

One parent told that they need to know the way how we explain the uni 5 concept.

One parent want the teaching in traditional way but she accepted that her child is enjoying his life in this school.

Feed back given by Mr. Srikanth.

Generally it was good.

The uni5 teaching must be concentrated more.

The teachers are not using their imagination .

They need training in uni5.

They need more involvement in the concept.

Parents must be given a workshop about uni5.

The children those how are continuing for two years in our system, we can see a great change in them.

Feedback of the correspondent.

We are very happy about his visit to our schools.

It is a great opportunity for us to know how we are performing.

We started to concentrate more in our presentations.

We have send many circulars regarding uni5 concepts.

We are regularly sending the lesson plan at the end of every month.

Appart from this the parents need to know more about how we present the concepts so we decided to inform the parents to visit the school to know about the functioning with proper appointment.

He is very happy about sendurai school.
