

EVENTS OF JULY 2010

2.7.10 – We are happy in inviting a new child master. NARASHIMAMOORTHY [2.5 years old] to our environment.

3.7.10 – FIRST PTA OF THE YEAR.

NUMBER OF PARENTS ATTENDED: 13

MINUTES OF THE MEETING:

- Welcoming the new parents, thanking them for their belief in Montessori education and upon the school in handling very young children.
- Time table sheet was given to all the parents and everybody had a thorough run through it.
- Briefly the Montessori system was explained and syllabus for first fortnight has been given to the parents.
- The syllabus sheet contains, songs, language program.
- Parents were addressed about TC collection, leave taking, food habits, toilet pattern of the child and book reading.
- They were asked to focus more on language development.
- Mishal's father shared his personal experiences with his daughter's development through the school and also explained how she is performing in other school.
- Parents said that they were able to feel the change in their children's behavior and language.

5.7.10 – School will be closed because of national bandh [strike] against the fuel price. No transport will be available in the village.

12.7.10 – Mr. Ravi and his wife Ms. Mythili will be visiting our HOC with their 8 months baby to observe the Montessori educational pattern.

12.7.10 – Mr. Ravikumar from Coimbatore visited and observed the HOC along with Dr. Madeswaran. He watched and studied the needs of infants, care, materials which settles the children and spoke with the staff members about various aspects of the school. He was inspired with the working style of infants below 2.5 years and also appreciated the efforts taken by all of the foundation members.

We thank his family members for the dresses which have been given to the poor children of our school. He has also donated Rs.5001 to us.

We also thank all the staff members for providing a good lunch and we conducted the observation meeting during which staff members shared their keen study about the children.

Almost everybody have settled down and started working with materials. Mr.Ravikumar was gifted with very important articles in Tamil about infancy care.
