### **TESTIMONIALS OF PARENTS, OTHER SCHOOL TEACHERS ABOUT OUR CHILDREN WHO HAS GONE FOR HIGHER GRADES.**

**Our teachers has visited these parents at Sendurai village and got the feedback.  
Most of the feedback were also taken from previous records.**

1. "My son has autism traits which has been identified by the school. The school gave regular Ayurvedic medication and assisted my child to improve his quality of life. I belong to a very poor family. Every day I am working in granites for daily wages. I have 3 sons. This child is the middle one. He is now entirely matured and well behaved than other 2 sons. His language, self-discipline, studies, responsibilities has changed a lot. He has joined in local government school and after assessing him the principal has given him double promotion to grade 2. The self-orderliness within my son has made him to accept many tough times in life. Today practically he faces the life. His school teachers appreciate his discipline and work pattern. His spiritual strength has improved." - M.Saravanakumar's mother. [This child studied for soild 10 terms in our Montessori - uni5 center]

2. "I am a local post man. I observed a great difference between your center children and other school children. The inner -order which is naturally developed through work patterns is inspiring me. My son has evolved more. Now I have to shift to the near by town and I am missing this education. I always want to come to your center." - Jenis Adiban's father [2.5 years old child]

3. "My child is very much helping me at home. She is studying well in grade 2. Her speech skills got improved. She is able to understand the situation and accept what we say. She wish her tutors where ever she see them. She is still doing all EPL exercises at school and remains about various materials." - Keerthana's mother [our second student]

4. " My child is always getting rank 1 from grade first in other school. Her drawing skills are good. She likes to imagine and connect her concepts with herself. She wants her teachers to show all in rality like your school teachers. She is very good in her self-order. My second daughter is also growing like her after studying in your center." - Swetha's and Swathi's mother.

5."My son is foing best in his higher grades. His drawing and handworing skills are

excellent because of various exercises given in your center through materials. His memory skills are very good he can grasp any thing soon than his elder brother. He has developed a natural interest to learn by himself. He is very particular in maintaining and taking care of his materials at home and school. He also helps others." - Sudeesh's father

6. "My daughter joined in this school when she was 1 year old. Her language and body level awareness has developed more. She is now very much interested in gardening. She can identify many plants and makes my home a small garden. She teaches me with good language. Because of her I joined my second son Balaji here. Later I wish to work and assist many children. Today I am working as a helper. I am proud about this education pattern. She has learned to write soon. Her hand writing is very neat. I feel the Montessori uni5 materials has given enough training for her motor skills. I am able to understand what chemistry has changed my daughter and son after working as a helper in this center. With this awareness I am also assisting many children.

She was brought to this center by my friend who is also a helper [Ms.Jothy]. The way she cared many children has inspired my daughter. So today at the age of 6, she is taking care of many babies in my family [joint family system] and say to herself that "I am Jothy aunty" - Ms.Maheshwari - our school helper. [mother of Balaji and Madhumitha]

7. "My son Balamithran is doing very well in grade 3. He is well disciplined. There is no stress for us in making him to study. He likes drawing very much. Still he helps his mother in all house hold activities which has been trained in center" - our second child of the center Balamithran 's father.

8. "My girl's body level personality has changed a lot. Her vocabulary skill is very high than by elder son. I thank this center!" - Divya Darshini's parents.

9. "My daughter is very much aware about her environment. She is much aware about many things even than me. Her social skills are good. She can make friends very soon in her school. She is very confident in expressing her views. I am happy about her basic education which you have given in Namma Veedu Montessori - Uni5 center" - Keerthana's father.

10. "My son joined at the age of 2. His social skills are good. His language has developed much better and today in higher grades he is able to grasp all concepts well. He loves every one. He has developed a calm character." - Dr.Thenmozhi [Govardhanan's mother]

11. "My child is very respectful to others which is very important in life. This center has given her very rich culture and language" - Ms.Rosy [school teacher, Sebashini's mother]

12. "My son came to this center only for 1 term and now he is in a private school

doing grade 3. He cannot forget the love and care given by these teachers. The sense of order is good. He always likes to come back to this center atleast once in a week" - 7 years old Bharanidaran's father [farmer]
